Rent and fees are subject to 6% tax. To keep your cleaning fee to a minimum we have contracted the 'basic cleaning' service with a check-out list for you to follow on your departure. They have been contracted to clean. We are unable to give any 'cleaning credits' but upon arrival if you are unsatisfied with the cleaning call us right away and they will return to ensure the house is clean for you. This makes the cleaning service accountable and helps them to see what they are missing. If you have questions, if you do not know the price, or if don't have the 'check-out instructions' in your package or at the house feel free to call.

Lake Shore Rental Management, LLC (LRM) is an agency working for the homeowner by assisting families (renters) in securing a cottage/home best suited to their vacation needs. This rental contract is between you and the owner. It is not meant to be restrictive but informative to ensure a wonderful vacation memory and a positive experience for you, the owner, and the neighbors. We encourage you to call for more home information if you have any concerns or special needs. This contract cannot be modified. Neglect or ignorance of the contract contents may result in a breach of contract with full or partial loss of deposit so please be sure you read the information. We rent Saturday to Saturday unless the owner specifies a different check in day. Each home has a standard 'check in' & 'check out' day listed on the web site. It is your responsibility to verify the standard check in and out day. If you are beginning your day other than the check in day stated on the website make sure you have written confirmation from LRM that the check in day is approved. Check In is at 4:00 p.m., Check Out time 10:00 am sharp! An extra charge will be withheld from your deposit if home inspectors cannot get into the home on time. Please call a couple weeks prior to your vacation for your lock box number to the house. If you plan to come in a day late or check out prior to the 10a.m. check out please let us know.

- Securing your Rental Home;** until we receive your Rental Contract, the Deposit Check (as listed on line) plus the booking fee of \$26.50 (which is \$25.00 and 1.50, 6% MI Use Tax), the home is subject to rebooking. If renting for two weeks, the deposit amount is due for EACH rental week. If you decide to cancel, the security/damage deposit will not be returned UNLESS we can rebook the home for the same week at the same rental price. When you send your deposit, submit only ONE (1) deposit check from the booking person. Make the check payable to "Lake Shore Rental Management LLC. (Write the cottage and rental dates on check memo line.) Please Note: There is a processing fee of \$100 for cancellations.
- Your Full Rent Payment (Rent as listed on website, all fees, plus 6% Michigan Use tax) is due 6-weeks prior to your 'check in' date:** Call for the total amount if you are uncertain. It is impossible for us to contact all rental families to remind them to send their payment, it is your responsibility to send the full payment to be received at least six-weeks prior to the check-in date of your vacation. This gives us the necessary time to troubleshoot costly, last minute issues that may occur. When you send your rent, submit only ONE (1) check from the booking person. Make the check payable to "Lake Shore Rental Management LLC. (Write the cottage and rental dates on check memo line.) **NOTE: If we have not received your full-payment prior to six-weeks before your 'check-in' day, your rental unit is subject to being rebooked to another party without further notice to you.** Tardy payment will result in a late fee of \$15 per week for each week that the rent is paid late up to a maximum \$75 to be deducted from the security deposit due to too many late payment problems. Please Note: There is a processing fee of \$50 for all insufficient fund checks and for multiple rent checks; submit only ONE (1) rent check from the booking person.
- Rent Cancellation policy.** All cancellation notices must be in writing (e-mail is acceptable) with a written response (receipt of cancellation) from Lake Shore Rental Management LLC. We will refund your rent (minus the \$100 processing fee) only if we are successful in re-renting your home at the full rent price. We've had to implement this policy due to many cancellations with lost opportunities to rebook the homes for the owner. **If you must cancel, we will do our best to rebook;** the sooner we know the better chance we will have to rebook the home.
- Security/Damage Deposits and Refunds.** Your first week security/damage deposit is NOT used towards the rent and will be returned approximately 3 weeks after your vacation. The exception is for families booking two or more weeks, the first week's deposit will be held, and the second week's deposit can be transferred towards rent payment. Any damages, extra garbage, and/or excess cleaning fees will be itemized and deducted from your deposit. You are responsible for all damages and must they must be reported immediately. In certain rare circumstances beyond our control (weather or fire damage, well problems, sale of the home, or other unforeseen circumstances) your confirmed unit may not be available. Lake Shore Rental Management, LLC reserves the right to attempt to substitute the confirmed unit for comparable accommodations or will return your deposit.
- Booking for next year:** Email us to request your vacation week "in writing" for the following year. We cannot confirm your desired home/week until we have received the homeowner's new contract, the new pricing, and their schedule of available dates at which time, you will need to send a deposit and rental contract to hold your home and week. If your house/week is not available or price changes and you request in writing to cancel, we will refund your deposit. If you want first opportunity to be on the list please don't wait as we do get other inquiries.
- These are individual homes & must be treated with care & respect** - To keep your cleaning cost to a minimum please follow the "home care" list provided at each house. Upon arrival we ask that you first do a complete walk through of home and property to become familiar with any potential peculiarities of the property for your safety. A list of what you will need to bring is listed on the back side of contract. By signing any page of this three-page contract you agree to the contents of this three-page contract.

- 7. **Home Restrictions:** Golden Twp. and Pentwater Village has implemented a short term rental ordinance that limits the number of people allowed in a rental house and the number of automobiles allowed on the premises, due to past abuse this includes any guests and their vehicles. Too many homes have been overstuffed with EXTRA people which causes excessive wear and tear and issues with the neighbors. There is a no tolerance policy for not following the contract and rules. It is your responsibility to ask what the rules are if you don't know, including the maximum number of vehicles and people allowed at the home at any time. This is listed on the home's webpage. Privacy & respect for neighbors must be maintained. No fireworks. No loud music or late-night activity inside or out after 10pm quiet time. If there is a legitimate neighbor(s) complaint deposit may be withheld. The State Parks have areas for group picnics, reunions, etc. If you have more than 2 vehicles, contact us for permission and home-specific parking provisions if not stated in the home's web page description. RV's, cycles, 3 wheelers, tents, campers, motor homes, etc. are not allowed on owner's property. You are responsible for any penalties or fees for violations that occur during your week due to your negligence in abiding by the rules of this contract. **No smoking** in homes. **Do not move furniture or bedding.** Restrict food/beverages to dining area only. No fires of any kind without owner approval. No children to be left unattended. Please don't flush foreign products down toilet. Plumber fees resulting from these types of issues (feminine items, soap, etc) will result in a deduction of your security deposit to cover the expense. **Damage:** Report all damage, carpet spills/stains, etc. to an Agent of Lake Shore Rental Management immediately. Don't wait until Saturday when we are busy checking in families. Your rental includes the house; it doesn't include exterior buildings or contents thereof, including, but not limited to golf carts, equipment, personal items, boats unless authorized in writing by the owner. You are renting only the house. You are not renting and may not use any other personal property that may be present. Due to past abuse, neglecting any terms of this contract will result in partial of full loss of deposit.
- 8. **No pets- in home or on premises** – this includes visitor's pets. "If" a home description mentions pets allowed you need an email from us confirming the owner permission for the pet. There is an additional pet fee, please inquire. **Nature's Creatures:** Remember we're surrounded by woods & water–along with nature's wildlife (coons, mice, bats, bugs, spiders, webs etc.). Our goal is for you to have an enjoyable week, but we may need your patience since Mother Nature's creatures have a mind of their own.
- 9. **Agreement:** You, the booking person are the responsible party, and you have read the above, and you agree to inform all members of your group and any guests that all renter's, visitors, and guests agree to hold Agent and Owner harmless and to indemnify Agent and Owner from and against all liability and claims of liability for personal injury, illness, death, property damage, or any other loss or damage which may arise in any manner from Owner's and Agent's rental to third parties of Owner's property under this Rental Agreement. Your occupancy of the property constitutes your agreement to inform all your guests and co-users of the property of all the terms of this contract and of the rules for use of the property. You agree for yourself and anyone using or occupying the property that the agent nor the homeowner is responsible for any damages or injury that may result from use of the rental premises. At the opinion of the Owner and/or Lake Shore Rental Management you may be responsible to the owner for any damage or any potential loss of income related to you booking the owner's home. These are privately owned homes. Some homes are new, and some are described as older and rustic with odd transitions from one part of the home to the next i.e. spiral stairs, lower railings and the like; familiarize yourself with the home before moving in luggage; inquire if you have concerns or special needs. Our hope is that you will have a great vacation, so we will do our best to help you find a home and location best suited for you. The home is rented 'as is'. No credits or refunds will be given. If something malfunctions, we will do our best to have it repaired ASAP. *****THE INFORMATION HEREIN IS BELIEVED TO BE ACCURATE BUT IS NOT WARRANTED***** Failure to abide by any of these rules and homeowner requests may result in an early departure, partial or complete loss of deposit. Please make sure you have received a map to your house/cottage. Call us a couple weeks prior to your vacation for key information and any last-minute questions. The owner has placed any home specific instructions on the refrigerator as well as our information with garbage instructions, etc.

What is Needed – What is provided

The owners provide mattress pads, blankets, bedspreads, pillows.

- You'll need to bring: sheets, pillowcases, all towels; kitchen and bath. There isn't a laundry service in the area and it would be unlikely that they could take care of the several homes we have in the amount of time given. In addition, linens accidentally get thrown in with family's laundry and by the end of the summer the owner is missing towels or sheets. Thanks for your understanding.
- You'll also want to bring **any soaps and paper products that you'll need for your personal use.** Examples: Extra toilet paper, paper towels, plastic wrap, foil, garbage bags, etc.
- ALL garbage MUST BE in **GARBAGE LINERS** before placing in Garbage Cans.

Grills: If owner provides a grill please make sure to keep clean between each use! This is not the responsibility of the cleaning service; they will charge extra as it takes a lot of extra time to clean grills that haven't been cleaned all week. Charcoal Grills – you'll need to bring charcoal.

Gas Grills – If you choose to grill out you may need to refill your tank or bring a portable tank from somewhere like Walmart or Meijer's, or the local convenient stores. This is due to propane tanks not being turned off too often needing to be refilled. We ask that whoever has to remove an empty tank to pay it forward by refilling that tank for the next guests to use. We cannot take responsibility for keeping the tanks full over the summer and apologize if they are empty upon your arrival. Unless owner consents, we do not reimburse for the refilling/exchanging of the tanks. The following locations fill tanks; Some State Parks, Most Party Stores and Gas Stations. PENTWATER area: Cenzo's Grocery at the south end of Hancock and East on Sixth St. to second building. Hill and Hollow Trailer Park a couple mi. north of Pentwater on Hancock (turns into Bus 31). Jacks Trailer Sales 869-5033 north of Pentwater as you turn north on Pere Marquette Highway just it's on the right. HART/Silver Lake Area: BP Gas Station at the corner of 56th and Polk Road about 1 mile before the US31 Expressway. Excel Propane 873-0004 just east of the Hart US31 exit, ShopKo located just east of Hart exit US31, many gas stations and party stores swap out tanks.

If you have received written permission- (for those few homes that allow pets) make sure to bring a portable kennel and follow the contract. The best of pets can and have caused damage when left unattended in a strange place. If the house doesn't allow pets your deposit will be withheld if one is seen on the premises (due to past abuse).

These are privately owned homes/cottages so please maintain them during your stay as if it were your own. If you spill something in frig, or floor, etc. please clean before it dries or stains. Owners do visit between guests and do like to know that their guests are enjoying their vacation home and treating it with care and respect.

Contracted Cleaning Service: In attempt to keep the cleaning cost down, the cleaning fee you paid is for 'basic cleaning' which includes basic weekly cleaning, sanitizing the kitchen and bathrooms, etc. It is possible for a cobweb, dust bunny, etc. to be missed occasionally as with all cleaning people, even us at our own homes. There will be a check out list upon departure (empty refrigerator items, remove garbage from house, leaving the house looking the same as you found it, etc.). We ask for your patience if you find something missed. **If something major was missed that should not be overlooked, please call when you first arrive so we can send the cleaning team out immediately.** We will not be responsible for anything *past your arrival day*. For those who are particular, and detail oriented you may want to request the 'detailed cleaning service' but most everyone prefers basic cleaning which is sufficient and keeps your cost to a minimum, please inquire. The cleaning service has been contracted, no cleaning credits can be given, but by calling us when you first arrive the cleaning person/team will be out shortly to clean anything major they may have missed. This helps ensure a clean house for you and less future incidents by helping the cleaning teams know what they have missed so it won't happen again. This rarely occurs but wanted to let you know their policy. By signing any page, you agree to abide by all contents of this three-page contract in its entirety.

This contract is not meant to be restrictive but informative to ensure a wonderful vacation memory for you and a positive experience for you, the owner, neighbors, as well as ourselves (LRM). It is important to remember that your home description lists a maximum number of people (and vehicles) that the home accommodates, this includes visitors. For larger gatherings than the maximum the home accommodates you are welcome to enjoy the picnic area at the parks. With vacation homes being so popular several tourist townships now have a rental ordinance that we all must adhere to.
